What is a Dreamer?

A Dreamer is someone who has a VISION to take an idea and use it to make a better world. Nothing stops a Dreamer. They fly by the seat of their pants as they live their dream through passion. Dreamers are the future of the world.

THROUGH MUSIC AND ARTS, STUDENTS OF ALL AGES
LEARN HOW TO USE THEIR IMAGINATION
TO CREATE THEIR OWN DREAM FOR THE FUTURE.

Our founder, Diane Dupuy, did just that! She was a “slow learner” in school – she had “trouble concentrating” – but with the support of a great teacher, she discovered the World of Creativity. She was encouraged to follow her Dream, and now she is member of the Order of Canada. She also won the Ernst & Young Entrepreneur award in 2009.

How many great teachers – **YOU!** – could use a little extra help with instilling Magic into their students, to help them find where their spirit leads them?

When you give students wings to make them fly, they will remember you for the rest of their lives as the person that ignited the flame inside their soul.
