Memoir Writing with Jeannine Dupuy

Have you ever wanted to document your memories of love, strength, and courage so you could pass down your positive experiences to your loved ones? Remember that time you made your first big accomplishment all on your own, or the birth of your first child, or that fantastic event that changed your perspective on life? All of these thoughts, feelings, and life changing events can be documented to enlightening future generations and serve as a keepsake.

Join Jeannine Dupuy, a professional and trained Script Supervisor who grew up helping Diane Dupuy collect data for all of Diane's memoirs. Today, Jeannine serves as the Script Supervisor on Star Trek: Strange New Worlds, collecting and organizing script continuity data for the production's Editor.

Let Jeannine be your guide as you recall that special day, that moment in time that you wish to treasure forever.
